Like with the old voicemail setup, once you're are in to your voicemail, pushing Option-3 will give you most of the options to choose from.

3 for Personal Options

- * 1 to change your voicemail box Name or Greeting
- * 2 set a new PIN
- * 3 for Call Waiting and Forwarding options
- * 4
- * 5
- * 6 Message envelope settings / DATE/TIME to play, plus Calling Number
- * 7 Extra settings

Key things

- * Use # to finish entering a number, or to SKIP FORWARD on any menu talking
- * Use * to SKIP BACK on a menu etc - - - OR e.g. to cancel a number you have just entered if you made a mistake
- * Use 7 of 9 to skip back or forward 5seconds on messages etc

Ways to access your Voicemail

There are several ways to access your Voicemail from your mobile.

- * Dial 083210
- * On your keypad, press and hold 1 (on some phones)
- * Look up Voicemail in your contacts and call
- * Dial your mobile number from your mobile, - - (best and works overseas too)

To Change your greeting

Follow the voice prompts to change your greeting:

- * 1. Access your Voicemail
- * 2. Press 3 – Change your personal options
- * 3. Press 1 – Change your greeting or mailbox name
- * 4. Press 1 – Set up a personal greeting
- * 5. Press 1 – Re-record your personal greeting
- * 6. Record your new personal greeting
- * 7. Press 1 – Confirm personal greeting is OK

PIN Numbers

Notes:

- * You can change your PIN at any time
- * PIN numbers must be between four and ten digits & cannot:
 - cannot start with 0
 - cannot be sequential or repeated numbers

Some people will also hear the number that called them now again in your message recordings.

- * To alter this, (number called to be played on all messages, or the DATE/TIME) - - see above for Options 3-6 for message envelope settings
